This weekend, Lisa has many plans. On Saturday morning, she is going to meet her friends at the park. They are playing football and having a picnic. Lisa is bringing some sandwiches and drinks for everyone. She hopes the weather will be sunny because they don't have any umbrellas.

In the afternoon, Lisa is visiting her grandparents. They live in the countryside, so she enjoys the fresh air. Her grandparents are cooking a special dinner for her. Lisa thinks they will prepare something delicious because they always make amazing food.

On Sunday, Lisa is going to relax at home. She doesn't have any plans for the morning. She is going to watch some TV shows and maybe read a book. In the evening, she is meeting her best friend, Sarah. They are going to the cinema to watch a movie. Sarah doesn't know what movie to choose, so Lisa is bringing some suggestions.
