### Susan's vacations routine

Susan is on vacation! She is staying in a big hotel near the ocean.

Every morning, Susan and her family go to the beach. She likes to sunbathe and swim in the water. Sometimes, she tries to surf—it's very fun but hard!

In the afternoon, they often visit famous places in the city, like old museums and big parks. Susan also loves to hike in the mountains behind the town.

One day, she wants to go shopping for souvenirs. In the evening, Susan likes to try new food at different restaurants. Today, she is eating pizza! Her vacation is great!
