CYBER
MONDAY

Hi everyone! I'm Emilia and it's Monday and I'm at home looking at the online stores. It's Cyber Monday in Argentina, so there are big discounts on the websites.

I want to buy a new cellphone for my sister. The cellphones are usually really expensive, but today they are completely bargains! I also need some new shoes. I have enough money in my bank account, but I have to save some money.

My friend Tomás is online too. He is looking for a new monitor for his computer. He has saved a lot of money, so he is going to buy the monitor and maybe a new pair of headphones. He loves buying things on sale.

I have to be quick because the offers finish at midnight. Wish me luck!

b. What does she need to buy for her sister?

c. What are the two items Tomás is looking at?
